

15th Asian-Pacific Congress of Hypertension 2019

24 - 27 November 2019  
Brisbane Convention & Exhibition Centre

[APCH Website](#) | [Contact us](#)

**The Asian-Pacific Society of Hypertension will hold the 15th Asian Pacific Congress of Hypertension (APCH2019) at the Brisbane Convention & Exhibition Centre, Australia, 24 – 27 November 2019**

APCH2019 will be hosted by the High Blood Pressure Research Council of Australia (HBPRCA), which has been at the forefront of research into the causes, prevention and treatment of high blood pressure since inception on 1979. HBPRCA research incorporates the full range from experimental molecular biology and genetics to human physiology and drug treatment of hypertension. Members are among the national and international leaders in the field of cardiovascular research, through clinical trials, research projects, journal editorships, various academic, government and commercial committees and as active organisers and participants at major conferences.
